You will become a customer of Places for People Homes and your tenancy and rent account management will be undertaken by a Housing Officer based at our office in Ashford. (☎ 01233 500799).

Rent is payable weekly and payment may be made at any Bank or Post Office using the Swipe Card that will be issued to you. You may also pay by Standing Order/Direct Debit. Housing Benefits payments should be paid direct to Places for People.

Housing Benefit:

Applications for Housing Benefit should be made as soon as you are aware of the Tenancy Commencement date and should be addressed to the Housing Benefit Section, Canterbury City Council, Military Road, Canterbury, Kent, (Housing Benefit forms are available from Places for People office in Ashford)

Two weeks Rent Free:

With all our Seaside and Country home properties two weeks rent free is given, this means that the rent account will start two weeks after the tenancy sign up date.

Notice Period to Current Landlord:

Many landlords require 28 days notice period on termination of tenancy, but under the Seaside Country home scheme there has been some flexibility please liaise with your current landlord, if you do have problems contact the Seaside Country Homes Operators on tel: 08450 21 20 20, they may be able to negotiator this for you.

Gas and Electricity Supplies:

Application for supplies will have to be made by you to the Electricity and gas Companies. You should also make arrangements through your present Gas and Electricity suppliers for your cooker etc to be disconnected at your present address.

Supplies cannot be connected on a Saturday or Sunday except by using the emergency service, which will involve you in additional expense. So, if you have to move on one of these days, please make prior arrangements.

Cooking

You will need to provide your own cooker – either gas or electric

Maintenance & Repairs:

You should report defects requiring attention to the Customer Contact Centre by telephone on ☎ **0800 432 0002**.

Heating and Hot Water:

The properties have gas central heating and hot water.
